

Route Media x Go North Wales
Digital Display Solutions

Route Media.

Hello!

We are Route Media, indoor and outdoor digital signage and advertising specialists founded in Wales. In recent years, we have invested into North Wales with new digital advertising and signage installations - and we're now bringing exclusive offers to the members of Go North Wales to help you maximise the benefits of digital...

- Increase sales and revenue.
- Reduce your environmental impact.
- Increase quality and efficiency of your advertising.
- Modernise and improve your business!

In this pack, we have selected a number of **exclusive offers for you** to take advantage of across digital signage and advertising.

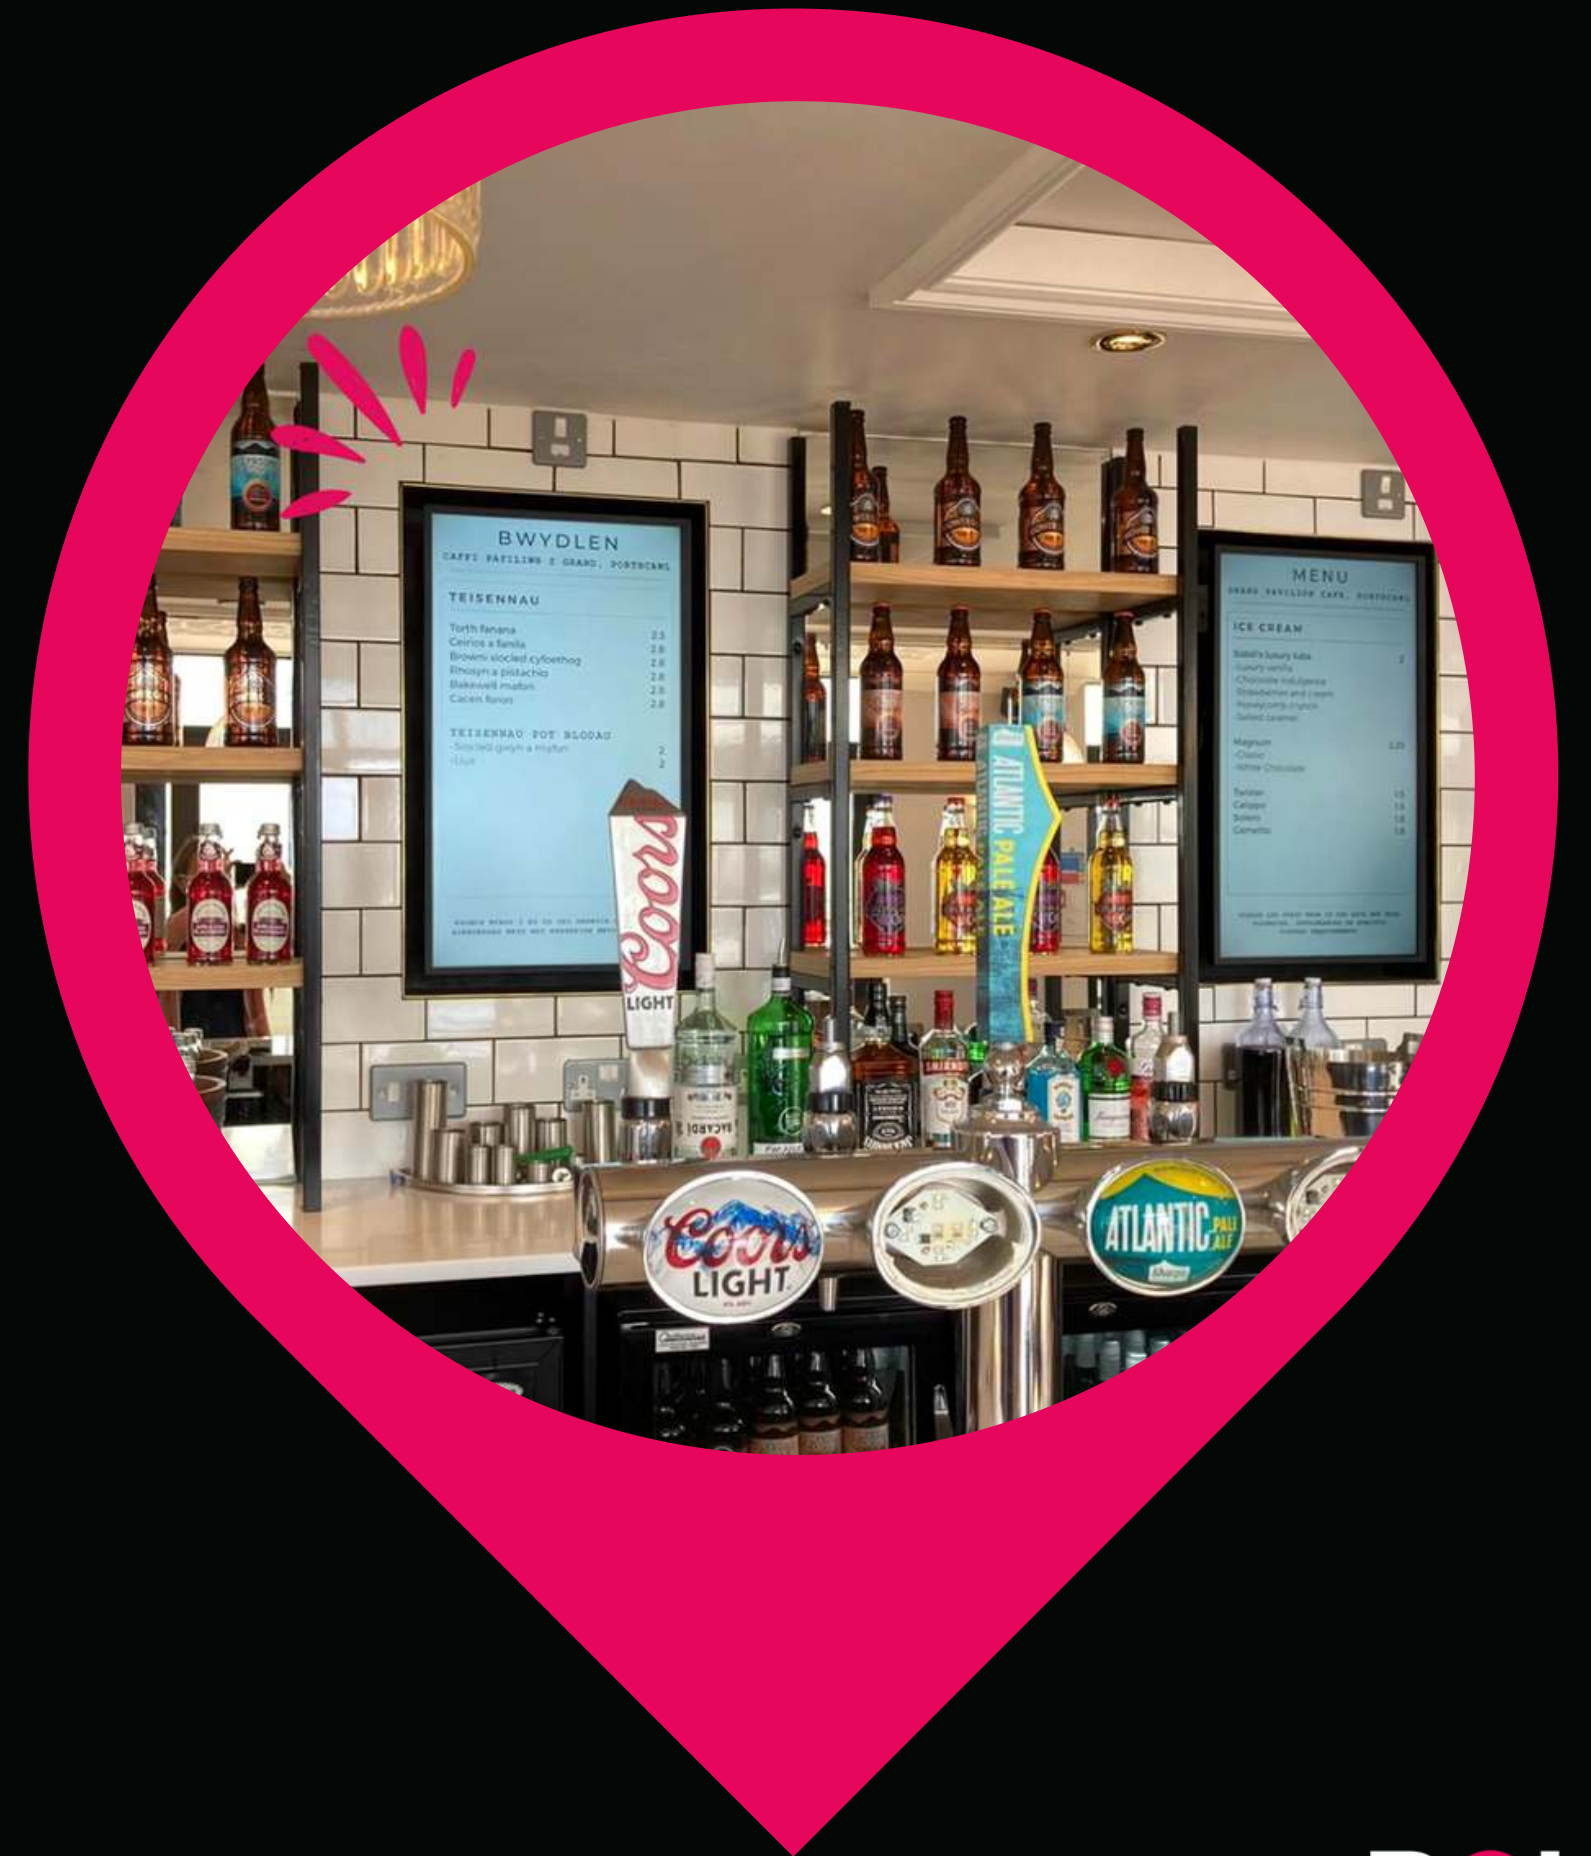

Digital Signage.

We can supply a range of digital signage solutions, with each project tailored to your needs, objectives and budget.

All our products come with three-year warranty as standard, and are supplied with service and support packs to ensure you get the most out of your new digital signage!

Our inventory covers solutions for indoor and outdoor use as well as permanent and transportable solutions.

Go North Wales members can save up to 10% on our entire range of Digital Hardware, as well as the exclusive offers outlined in this special Go North Wales document...
